## Buy a Brick and Help Us Achieve the Possible!

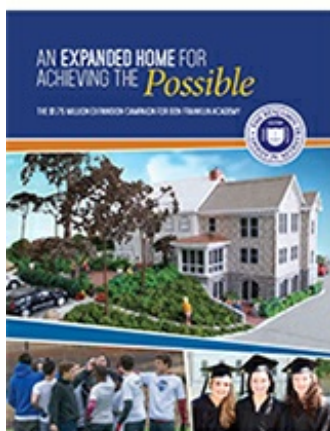

### DOWNLOAD THE BRICK ORDER FORM

Exciting things are happening at Ben Franklin Academy this year, and this is your chance to leave your mark!

As part of our **\$1.75 million *An Expanded Home for Achieving the Possible* Capital Campaign**, BFA has renovated the school's front entry to feature a new brick courtyard. As special friends and family of our school, we invite you to purchase a brick which can be engraved with a personal message.

This is a wonderful way to demonstrate what our caring community of learners looks like first-hand by honoring a friend, classmate, or family member, and recognizing academic, artistic, or athletic achievements. Your purchase of a brick will leave a lasting footprint on the school that will help welcome new students and visitors to BFA for generations to come.

### DOWNLOAD OUR CAMPAIGN BROCHURE:

Bricks may be purchased for \$250 each. A tri-fold brochure will be arriving via mail to you in the coming days with information and instructions on how to make a purchase. You may also [download the attached PDF copy of the brochure](#) and mail it to the school with your payment.

If you have already made a donation to the Capital Campaign of \$250 or more, we are pleased to offer you a complimentary brick. You will be receiving notification in the mail confirming this offer.
