Enrollment Agreement:

Students are encouraged to ask teachers about the acceptability of prospective items of dress before wearing those items to school. Students with inappropriate clothing will be asked to wear a school shirt for the day. Repeated violations of the dress code will be an infraction of the Second Rule.

All students sign an agreement with the Headmaster upon enrolling in the school in which they promise to comply with the Four Rules, the Work-Study Requirement and the Dress Code. Non-compliance with this Dress Code Agreement calls into question the privilege of students to remain in the Morning or Afternoon Program.
